## SPECIAL LIST OF "SURPLUS BULBS

*for*

### 1924 AUTUMN PLANTING

WE are offering for delivery after October 1st the varieties and quantities noted on the accompanying list. These are all our regular CREAM QUALITY bulbs, ordered early by us from Holland, for sale this fall, and are offered at the same prices quoted in our Blue Book this spring.

This list does not include all of our varieties, but merely those for which we expect the most active demand. Of several others we have small quantities available upon request. After these quantities are sold we shall not be able to accept further orders. We advise early attention to the selection you require, as these quantities are offered subject to their being unsold on receipt of your order.
